

VAISHNAVI CHAVAN

Pune, Maharashtra|+91 9637666371|vaishchavan9@gmail.com

PROFILE

Dynamic professional in Information Technology with successful internships and project experience. Skilled in various technical domains, committed to continuous learning. Natural leader with a passion for organization and creativity, dedicated to adding value to organizations.

EDUCATION

B.E - Information Technology

Sinhgad Academy of Engineering | CGPA: 9.12 / 10

2024

12th

Mahatma Gandhi Vidhyalay & Junior College, Pune | Percentage: 82.15 / 100

2020

10th

K.T.E.S English Medium School, Rajgurunagar, Pune | Percentage: 96.60 / 100

2018

SKILLS

- Java
- SQL
- Machine Learning
- HTML
- CSS
- JavaScript
- Python

WORK EXPERIENCE/ INTERNSHIP

Suvidha Mahila Mandal Foundation - Coding Tutor Intern

19 Dec, 2022 - 19 Mar, 2023

- Interned as a Coding Tutor at Suvidha Mahila Mandal. Guided learning in Code blocks and Python for international students, fostering a collaborative environment and igniting passion for programming.
- Assisted creative teaching methods like hands-on projects and practical coding exercises to increase student participation and understanding.

Verzeo - Machine Learning Intern

05 Dec, 2022 - 31 Jan, 2023

- Collaborated with seasoned engineers and data scientists on vital tasks for machine learning projects. Contributed to the refinement of data pre-processing techniques and the optimization of model performance through rigorous experimentation and analysis.
- Supported development, implementation, and evaluation of advanced models and algorithms.

ShapeAI - Data Analyst

04 Jul, 2021 - 08 Oct, 2021

- Data Analyst Intern at ShapeAI. Played pivotal role in bolstering data analysis and reporting capabilities.
- Collaborated with team to collect, analyse, and interpret data for actionable insights, enhancing organizational performance.

PROJECTS

Knee Osteoarthritis Detection using Neural Networks

14 Aug, 2023 - 19 Feb, 2024

- Headed team in developing innovative detection solution using neural networks. Achieved accurate assessment from X-ray images, enhancing early diagnosis and intervention.

WhatsApp Chat Analysis

25 Dec, 2022 - 25 Jan, 2023

- Contributed to analytical model development for chat analysis. Provided actionable insights on messaging platform dynamics using machine learning.

Movie Recommender System

05 Aug, 2021 - 19 Sep, 2021

- Managed team in crafting personalized recommendation algorithm. Integrated user feedback, enhancing engagement and insights.

TRAININGS & WORKSHOPS

- **HR Workshop on "How to be Industrial Ready"** Institute Name: Betsol 17 Apr, 2023 - 17 Apr, 2023
- **Employability Skills under Life Skills** Institute Name: Rubicon 14 Feb, 2023 - 17 Feb, 2023

EXTRACURRICULAR INVOLVEMENT

- President, Cypher and Hackathon Cell
- Report Head, ITSA
- Student Coordinator, Alumni Cell, IT Department
- Coordinator, Women Empowerment Cell
